COMMUNION SETS.

VESSELS WITH WHICH TO ADMINISTER THE LORD'S SUPPER.

THE most sacred ordinance that can be observed by all churches is that known as the Lord's Supper or, in other words, Sacrament. We do not think it is in keeping with these sacred ordinances of the Lord's Supper in church now-a-days to try to administer it with out the proper vessels.

Every Church Ought to Have a First-Class Communion Set.

They can have them made out of the best grade of quadruple-plated table silverware if they desire them. The Church Supply Department of the National Baptist Publishing Board has just received from their factory a new lot of this high-class ware and would take pains in showing them to any one.

The Prices are Within Reach of All and Terms are Reasonable.

No church ought to be willing to use glass dishes or the like for these ordinances when they can have the best grade of silver at moderate prices.

RESIGNS AS TRUSTEE OF ROGER WILLIAMS.

At a special meeting of the Board of directors of the new Roger Williams University held in the office of the superintendent of missions, on Wednesday, December 4, the resignation of Dr. C. H. Clark, who is pastor of Mt. Olive Church and treasurer of the Baptist State Convention, and who had been one of the first trustees elected to the new university, was offered, to take effect at once. While the information concerning the resignation is authentic, it is not known just what action the board took in the matter. Dr. Clark was asked by a Globe representative concerning the rumor, but would only state that he had resigned. He refused to make any comment as to why the resignation was offered.
